

Hatfield Heath Volunteer Response Group

If you live in Hatfield Heath and:

- Are in a vulnerable group.
- Or experiencing symptoms and self-isolating.
- Do not already have a support network

We can help with:

- Medicine collection
- Essential food shopping
- A friendly neighbour to chat to.

We have set up a system with the Coop to provide a weekly shop for you:

- Lists to be provided by Friday to Anne on **07808218190** so they may be consolidated and sent to the Coop on Monday morning.
- The Coop will make up the orders and call each recipient between 10am and noon on Wednesday for payment by card.
- Volunteers will then deliver the orders on either Wednesday or Thursday, depending on demand.

If you need prescriptions collected

- Please phone Anne on **07808218190** who will arrange prescription drop off and pick up throughout the week.

If you would like a friendly neighbour to talk to:

- Feel free to ring Mita who lives in the village and is a trained social worker. Her number is **07510253705**.

If you are willing to volunteer as a distributor to support this vulnerable group:

- Please also contact Anne on **07808218190**.

Please call either Anne (or Annabel on 07816164118) for any further details
