Hastoe Housing Association has been working to identify a site for a further affordable housing scheme for people local to Hatfield Heath.

Hastoe Housing Association is proposing to build 10 properties at this location. 3 houses will be shared ownership and 7 will be for affordable rent. The properties are only available for local people or people with strong local connections – priority will be given to applicants from Hatfield Heath.

We will be displaying our current proposals with a view to seeking constructive comments. Application forms will be available to register your interest & staff will be on hand to answer any queries you may have.
