

Hatfield Heath Neighbourhood Plan Questionnaire

We want to create a Neighbourhood Plan.

Why? To allow us as residents to control what is going on in our parish for the next 30 years.

How? By creating policies on all of the major things which affect us and have these recognised by the District Council.

Who? Using a group of people drawn from YOU, the residents guided by the Parish Council

When? As soon as possible

What can I do?

1. Answer this quick questionnaire either on line at [hatfieldheath- pc.gov.uk](http://hatfieldheath-pc.gov.uk) or fill out this form and drop it into Footprint.
2. Tell us if you would like to be on the steering group

What comes next?

1. We put together all of your answers and from that put together a more detailed questionnaire.
2. We put together a list of the things that must be done. How and in what order.
3. We have a general Parish Meeting to show you what we have done and to form the steering group, which will be led by YOU and not the Parish Council.

So here is the brief questionnaire

1. **What do you most like about living in Hatfield Heath?**

2. **What would you most like to improve?**

3. What would be the top three things you would like the plan to tackle?

4. Would you like to be part of the team putting the plan together? If so could you give your details (Name, Address, Phone No., e-mail)
